Dear Older Toddler Parents,

My name is Brittaney Perazzo and I am pleased to be your child's Older Toddler teacher. I am excited to be apart of your child's growth and learning experience.

Here's a little about myself, I was born and raised in California and moved to Washington state in 2015. I then graduated from Lake Stevens High School in 2017. I started working at Country Dawn in 2018 and have worked with children for as long as I can remember. Everything from taking care of my younger family members and babysitting to church childcare. This is my passion and I hope to show that through my teaching.

I am currently in the process of getting a degree in Early Childhood education. I am certified in CPR, First Aid and Blood Borne Pathogens.

I am excited for the year ahead and look forward to getting to know you and your child. If you have any questions, comments, or concerns, please feel free to contact me.

Sincerely,

A handwritten signature in black ink that reads "Brittaney P." with a large, flowing flourish at the end.

Country Dawn provides a hands-on curriculum that includes small group time, circle time, outside play, free choice play, theme-based arts and crafts activities. Basic academic skills: recognizing shapes, colors, letters and numbers are incorporated throughout the day. Language and Social/Emotional development is practiced all day; expanding the children's vocabulary, their ability to communicate, play with peers, and follow the teacher's instruction. Country Dawn's curriculum follows the Early Learning Guidelines set by Washington State Department of Early Learning. ([www.del.wa.gov](http://www.del.wa.gov))

Country Dawn partners with The Sno-Isle Library and receives books for our classroom monthly. Once a week our Older Toddler class has a Spanish lesson, where they are introduced to basic Spanish words and phrases; greetings, numbers, colors and theme-based words. Country Dawn offers HappyFeet ([www.seattlehappyfeet.com](http://www.seattlehappyfeet.com)), a weekly extra-curricular soccer fitness program to our Older Toddler class. HappyFeet is a professionally developed child fitness soccer program based on 25 years of youth coaching experience. Country Dawn offers Elevate Music Together, which is an internationally recognized early childhood program providing music and movement for children. CDC Assessments are provided to families each fall and spring. Teacher Parent Conferences start in the Preschool classrooms however, a conference is provided to any of our families when requested. Country Dawn also participates in Early Achievers, which is Washington's Quality Rating and Improvement System.

**PARENTAL ALERT  
SEVERE OR LIFE THREATENING FOOD ALLERGY**

Dear Parents:

I am writing to inform you that several children who are currently enrolled at Country Dawn have a life-threatening allergy to peanuts. If these children are exposed to peanuts in any form (even trace amounts), the child may experience a type of shock called anaphylaxis. Anaphylaxis is a reaction that affects the entire body and can result in the child not being able to breathe and cardiac arrest. The reaction is so severe that once symptoms are recognized medication must be given immediately to prevent death, and emergency medical personnel (911) must be called for immediate help.

Strict avoidance is the only way to prevent this type of severe reaction. The safest environment is one where there are no peanuts or foods containing any peanut products or traces of peanuts in the classroom or any area where the child may be. To achieve this safe environment we will need everyone's help. A huge risk is posed by other children who may unwittingly bring foods to school that contain peanuts, or peanut products. Even vapors from the food containing peanuts or peanut products can cause a sensitive child to have a severe reaction. Please check the labels on foods, and do not send any foods containing peanuts or peanut products of any kind to school. If you bring in foods for a special event or class party, bring only commercially prepared food in the original packaging (no home-prepared food, please!). All foods must be monitored closely, all labels must be checked for indications of peanuts or peanut products, and should there be any question as to the safety of the ingredients the food may not be served, or even opened.

I realize this will be an inconvenience, and we appreciate your help and understanding as we attempt to create the safest possible environment for all our children.

If you have any questions please do not hesitate to talk with your child's teacher, supervisory staff at the front desk, or myself. I would like to thank you for your help and understanding in this matter.

Sincerely,

A handwritten signature in black ink that reads "Julie Bliven".
